

MOTION 1

To transfer the name of Appellant from Paul Chomik to the Lakeshore Planning Council Corp. concerning appeal at the OMB of the Mimico 2020 Secondary Plan approved by City Council

WHEREAS one principal purpose for incorporation by the Lakeshore Planning Council Corp. is to create a legal entity which can represent members on appeals at the Ontario Municipal Board;

AND WHEREAS CodeBlueWestTo filed an appeal of the Mimico 2020 Secondary Plan with the OMB prior to the deadline;

AND WHEREAS the Lakeshore Planning Council Corp. submitted a letter dated July 10, 2013, to City Council in support of the representations made by CodeBlueWestTo, in principle, concerning the Mimico 2020 Secondary Plan;

AND WHEREAS there was insufficient time for the Lakeshore Planning Council Corp. to hold a meeting to discuss filing an appeal prior to the deadline to support the interests of the Etobicoke and Toronto community in principle, as represented by CodeBlueWestTo;

AND WHEREAS Paul Chomik filed an appeal to reserve the legal rights of the Lakeshore Planning Council Corp. as an Appellant, if so approved by its members, and now requests that the name of the Appellant be changed from his personal name to that of the Lakeshore Planning Council Corp, to protect his personal legal interests, as is the original intention of incorporation;

IT IS RESOLVED that a request be sent to the OMB to change the name of the Appellant from Paul Chomik to the Lakeshore Planning Council Corp. at no cost whatsoever to the corporation, so that members may hold full legal rights to make submissions and present evidence at the OMB with respect to an appeal of the Mimico 2020 Secondary Plan.
