AGENDA

1. Etobicoke Creek Trail. The TRCA and the Ministry of Transportation have been meeting about the trail. The new date for trail completion is late summer, early fall. A discussion on what is happening. Is there anything new?
2. Culture Days will be held on September 26, 27 and 28 (Fri, Sat, Sun) in New Toronto. We will be offering bike rides of the community as part of the celebrations. What routes should we take? Finish planning how the days will work.
3. We wish to begin a memorial in honour of Jim Carr. All proceeds will be used to purchase a bike rack for John English School in his name. Donations for \$10, \$20, and \$40 can be made online at lakeshoreplanningcouncil.com. We have collected \$325 and need around \$775 for the bike rack and memorial plaque.
4. We will have a memorial ride to John English School in September 2014 to dedicate the new bike rack. Final planning details will be worked out.
5. There has been a serious bicycle accident at Parklawn and LSBW, where a cyclist tried to turn into the west bicycle lane from the Martin Goodman Trail and was struck by a cab turning right from Parklawn Rd. Need to discuss any changes to make the intersection safe for cyclists.

This meeting is open to anyone interested in cycling or issues in Wards 5 and 6.
